FOR THE VERY LOVED CHILDREN
OF GOD'S KINGDOM

**Psalm 100: 3 Know that the Lord is God.
It is he who made us, and we are his;
we are his people, the sheep of his pasture.**

“Guiding Lights”

- ❖ Pray for wisdom and ways to explain God’s Word to the children.
- ❖ Read the lesson ahead; pray their hearts and spirits receive His Word.
- ❖ Tell the children how God loves them and created them.
- ❖ Remind them often that God is there to comfort and care for them.

Depending on the emotional, medical and mental state of the children, you may need to just sit quietly with them, hug them, calmly read to them, or sing and hum to them. The important thing is to take regular daily time with them. Share what scripture you can with them for we know God’s Word is powerful. Praying brings them into the presence of our Almighty God and into an awareness that He is near and listening.

We pray these devotions and the time you spend with the children will help them heal enough to understand the love of our Heavenly Father. We ask God to open His Word to them that they will know in their spirits the comfort of His love day to day and the peace of eternal life with Him through JESUS.

May His grace flourish in your time with the children,

Martha & Gypsia

CREATION

Genesis 1: 27 So God created man in his own image, in the image of God he created him; male and female he created them.

Prayer: Dear God, You are so powerful! You have created the water and the grass, the sky and the sea and ME. Help me to know how special I am to You.

Lesson: God made everything in the world. You are one tiny part of all that God made, and you are a very special part. He made everything. He made the birds chirping, the trees blowing in the wind, and you.

Prayer: Thank You, God, for creating me and all the things around me. Help me to take care of myself and my friends. You are wonderful to me!
